

## Keystone Math Wizards Dominate Recent AMC 10/12

### 鼎石在美国数学竞赛中斩获众多佳绩

Several Keystone students have achieved outstanding results in the recently concluded American Mathematics Competitions (AMC). Keystone received the School Merit Roll and School Honor roll awards for the Global School 10A and 10B categories. Sydney Shi, Jason Fu, and Yushu Fan (all G9) have earned an invitation to the American Invitational Mathematics Examination (AIME), a much more challenging exam that will prepare takers for global math Olympiads. Here is the full list of the awards:
